Introduction to 2018 Notice of Series clevelandsails.com

The mission of the Cleveland Sailing Association, (CSA) is to increase activity in sailboat racing in the Greater Cleveland Area. Member club's regattas are combined into a separate Series for an overall competition. This gives racing teams an opportunity to travel to other clubs and sail in a wider variety of races while enjoying the hospitality and camaraderie of the Cleveland sailing community. The Governing Authority is the Cleveland Sailing Association.

The Advantages of the CSA:

- CSA entrants are granted free dockage (Wednesday to Wednesday) at host regattas.
- Registration discounts for CSA Boat of the Year designated events (except CYC Leukemia Cup)
- A chance to participate in the **Cleveland Cup** – CSA's Invitational Race.

CSA scores and awards five series. Boats are encouraged to participate in multiple series. A single \$35 registration fee allows eligibility in all CSA series.

- Boat of the Year (BOTY) Series for PRHF, JAM, and One-Design fleets
- Women's Series
- Double Handed Series
- Junior (<30) Series
- South Shore Cruising Series

BOTY (Boat of the Year)

The **BOTY** is the most prestigious and lengthy CSA Series. It encourages participation in all club regattas that are designated CSA events.

Women's crews are raced with an all women crew with an optional owner representative on board that cannot participate helming or crewing the boat. A Jr. crew is a crew all aged under 30 that must have owner representative that can optionally helm the boat. Double Handed races are for yachts that are crewed by 2 people. Races are contested prior to the main regatta or as modified by the event sailing instructions. CSA scores these series at the following regattas.

- Cleveland Race Week (EWYC)
- Lakeside Regatta (LYC)
- Princess Pat Friday Race (FCYC)
- Leukemia Cup (CYC)

SOUTH SHORE CRUISING

This series is designed to encourage point-to-point racing without requiring a yacht to travel long distances or to participate in races beyond their ability due to distance or weather. The South Shore Cruising Series is open to any boat participating in CSA. The Series includes 7 longer, point-to-point races. The seven races comprising the South Shore Cruising Series are:

- Indigo (MHYC)
- Cleveland Race Week (EYC) – Thursday and Friday, 1 each evening, also scored in BOTY Series

FLEETS

PHRF, JAM, and One-Design fleets will be recognized for all Series. The following rules apply to all fleets:

- A) Any fleet may be subdivided into classes for scoring purposes.
- B) All handicap racing will be sailed using PHRF handicap system, as selected by the host Club of each Regatta.
- C) A single registration includes entry to the Boat of the Year Championship (BOTY), South Shore Cruising Series, the Women's, Jr. and Double Handed Series.
- D) All fleets must have at least 4 registered yachts. If 4 yachts are not registered within each fleet, the registered yachts will be given the option of moving to an alternate fleet (PHRF, JAM, 1D) to achieve the 4-yacht minimum. However if the minimum of 4 yachts is not met, prior to the start of a series, that series, or fleet within a series will be abandoned and all fees refunded, if not participating in another series.

ENTRIES

- A) Eligible yachts shall complete a valid entry by returning the attached form to the CSA with the entry fee. Entries may be made on-line at clevelandsails.com.
- B) Regatta authorities shall dictate scoring and ratings.
- C) Fleet splits will be made based on the valid entries as of the first scored regatta.
- D) Yachts with valid entries received prior to June 25th will be scored in all CSA Series counting races in which they participated, including retro-actively scored for races in which they participated.
- E) CSA Series entries will be accepted after June 25 but will only be scored DNC in all races prior to the date of valid entry.

RULES

- A) Scoring for a series shall be according to the current Racing Rules of Sailing (RRS), the prescriptions of US Sailing, and this Notice of Race (NOR) and any amendments thereto.
- B) RRS rule A2 is modified to allow discards as detailed section F, G and K of "Scoring" below.

SCORING

- A. One Race constitutes a series. Series dates, events and counters are attached as part of this NOS.
- B. A race will be scored if one or more CSA yachts participate in a scheduled event.
- C. All racing will be scored using the low point system.
- D. All racing will be scored using the corrected finish times from the individual event results.
- E. Boats completing valid entries after June 25 will be scored DNC for all races sailed prior to the date their valid entry was received. This modifies RRS rules A4.2 and A9.
- F. For all Series, when there are multiple races on a given day in a regatta, only the first of the maximum number of races on the dates specified for each respective regatta will be counted, less total CSA Series discards. If the number of races is different between sub-fleets, the earliest for a date, minimum number of races across a division will be scored.
- G. Discards are factored as follows for BOTY, Womens, Jr. and Double Handed: 16 of 23 or 24, 15 of 22, 14 of 20 or 21, 13 of 19, 12 of 17 or 18, 11 of 16, 10 of 15 or 14, 9 of 13, 8 of 12 or 11, 7 of 10 or 9 or 8. If less than 8 races are scored, there shall be no throw-outs. This modifies RRS rule A2.
- H. The South Shore Cruising Series will count a yacht's best 4 scores.
- I. All CSA classes within a fleet must sail the same course and distance for a race to be scored for the overall (fleet) standings. Also, class results will be scored for CSA if all boats in that class sail the same course and distance in that race.
- J. Penalty Points: DNC: # of CSA boats that Started + 3. This modifies RRS rules A4.2 & A9.
